Tents Needed

Thank You . . .

to each and every one who has given us support in the past. Whether it has been by volunteering, financial support or food donations **we appreciate your gifts.**

We are trying to **expand our help** to the homeless and people in need by providing counseling, job search assistance, and information about where to find services helpful in **job training, education and medical & dental aid.**

The need is great for our clients and it seems we are falling short in being able to help people help themselves. I believe this is **only because** we do not have enough help in our venture.

We are seeking supporters **willing to assist** us in our desire to see these people succeed and enabled to support themselves. We need people to come along side us as **counselors, teachers, social workers** or in anyway we can educate, aid and counsel those in our community that need **a hand up** not just a hand out.

Join us in living out **Jesus' example** and call to care for marginalized people in our community. Please give this serious thought and prayer. If you feel that you would like to work with us, please call me at **740-407-6102.**

Thank you so much!

Volunteer Spotlight

Fisher Catholic Interact Club

After spending their spring break in Yonkers NY volunteering with Habitat for Humanity, these students from Fisher Catholic High School Interact Club wanted to continue to served in their own community. (Jose Montalvo, Emily Woodard, Aki Okuyama, Kirsten Miller and Susie Szablewski)

Calling All Cooks

Would your volunteer group like to prepare the meal before they come to serve? We have found that some volunteer groups have wanted to bring the food already prepared for the meal they are scheduled to serve. If your group would like to do this, please call 740-653-3233 and ask for the Kitchen Director and they will be glad to help you. Thank you!

Tents Needed for those unable to stay at shelters

Some of the homeless people we work with are dealing with severe alcohol and drug problems, mental illness or have never learned social skills to help them through life. Due to behavioral problems some are no longer allowed to stay at the shelters.

The Foundation Dinners has been providing tents for these homeless people and request your help. We are accepting donated tents or funds to purchase tents for those that have no shelter at all. Two-man tents seem to work the best.

Thank you!
